- Oct 15-Book Rental Payment due
- Oct 17-PTO Skating Party
- Oct 18-6:30 Goose Chase Night!-6:30
- Oct. 29- Grade 3 swim

The Avilla Elementary School would like to thank all of the grandparents/special friends who were able to visit with us on Friday, September 21st. We had over **700** special guests on this day and it is support of this nature that will help to make Avilla Elementary School a premier school in the state of Indiana. ***A special thank you to Tanner Haley for "his taxi service"!*** If you would like to visit on a regular basis and help in a classroom, please contact us at 897-2301.

This and that.....

The safety and welfare of our students and staff are our highest priority at Avilla School. We practice safety drills throughout the year to help our students know what to do in an emergency.

We work closely with local authorities to correctly implement these safety procedures. The goals of our training drills are to improve our ability to protect students and staff. These practice drills allow us to evaluate our emergency operation plans and improve our response skills. In order to protect your child, students will only be released to parents and/or other adults listed on our emergency information sheet in case of an actual emergency. This is just to notify you that as a school we will be practicing various drills throughout the school year. A few of the drills will include fire drills, tornado drills, lockdown drills, and evacuation drills. The dates and times of the drills will not be announced. You would only be notified if there is a real emergency. If you have any questions or need further information, please do not hesitate to call our school office.

REPORTING AN ABSENCE: Call 897-2301 by 9AM each day. Please leave the name and grade of the child, your name and the reason for the absence. Please send a note/doctor's note back to school with your child. **The state DOES monitor our attendance and it does count towards how OUR school is "graded" by the state and federal Dept of Education.**

PTO Skating Party! October 17-6:00-8:00

Auburn Skatin' Station

No admission charge and free rental of skates for students!

Congratulations to all students and families who show the pillars of caring and citizenship by saving and sending in pull tabs for the Ronald McDonald House. This act of kindness not only speaks to the character of Avilla students, it helps local families during a pretty tough time. **OUR** school currently has had students who were patients at Riley. Any and all help to curb expenses is certainly welcome and we also welcome donations. Please contact Mr. Pine for further information.
